

Federation Annual Campaign Endowments PACE/LOJE

PACE, the *Perpetual Annual Campaign Endowment*, is a permanent fund of the local UJA Federation established in your name. This restricted fund, created to endow your gift to the UJA Federation Annual Campaign, allows your lifelong investment in our local federation chapter to continue, providing help when and where it is needed indefinitely.

LOJE, the *Lion of Judah Endowment*, is the endowment component of the Lion of Judah Major Gifts program. Every woman who contributes \$5,000 or more to her community's annual campaign can create a LOJE by establishing a fund of \$100,000 or more in her name-ensuring perpetuation of her Lion of Judah level annual campaign gift.

PACE and **LOJE** funds are not intended to substitute for your annual gift. They are your lasting legacies for the future.

Both **PACE** and **LOJE** gifts may be funded during lifetime, or through one of the planned giving techniques described on the [Legacy Gifts](#) pages on this website.
