### **Department of Adult Jewish Learning**

- **Scholars-in-Residence**

Cost: \$2,000-\$5,000

We do not have a particular guest in mind at the moment, but a variety of guests become available over the course of the year, and funds are necessary to cover honoraria and travel.

- **New Course Development**

Cost: \$5,000

In developing a new program/course, we will be engaging top educators within the community. There will be expenses for their compensation as well as marketing and materials.
