- **Purchase of and training on software conversion for staff from Spectrum to Spectrum NG**
Cost: \$4,300
Our current membership database is outdated and soon will no longer be supported by the vendor. The database needs to be upgraded to the new version.
- **Camp Pagoda (Outdoor Covered Pavillion)**
Cost: \$5,000 (entire project will be approx \$15,000)
We require more outdoor program areas to initiate new ventures like "Dig Isarel Archaeological Experience," Bedouin Tent Dinners, and more
- **Positive Jewish Oral Memor Video Project Mac computer and software**
Cost: \$3,000
This community effort requires Mac hardware and software to edit, store and disseminate the 500-1000 "Elder" interviews/videos that will be conducted over the next two year by teens and young adults
- **Marketing Department Mac computer and software**
Cost: \$3,500
Our marketing Department needs a Mac create industry-standard graphics and marketing materials. The JCC only has PCs, which no serious graphic designer uses anymore
