### **Dance**

We are on our 4th season of dance and gymnastics at the Jewish Community Center and we are still without a proper sound system. Currently, we use donated speakers and move them on a chair from studio to studio between classes. It would be wonderful to have a professional sound system that could be moved easily and eventually mounted in the dance studio.

- **6 Space rolling rack with wheels and retractable handle & Electro-Voice S40B speakers**  
Cost: 1,782
