

## Sasone's 30<sup>th</sup> Birthday Bash

In 2026, Sasone will celebrate **30 years of advancing inclusion in Jewish education and community life**. To mark this milestone, we are planning a **30th Birthday Bash** — a joyful, family-friendly festival that highlights belonging for all. The event will feature a headline performance (such as a musician or puppetry group), bounce houses, crafts, and interactive activity stations, along with dedicated sensory-friendly spaces and a quiet room to ensure every child and adult can participate fully.

We expect approximately **200 community members** — families, educators, donors, and lay leaders — to join us for this meaningful celebration. Each participant will leave with a special **"Birthday Goodie Bag"** including our *Thirty Stories for Thirty Years* book, sensory items, and inclusive ideas for the year.

The Bash will also showcase local and national partners who are committed to inclusion. We plan to invite organizations such as Horizon Academy, PlayAbilities, Kansas City Developmental Therapies, Ability KC, Variety KC, Bringing Therapy Home, HBHA Learning Specialists, local camp/synagogue inclusion teams, the JCC/CDC inclusion staff, Inclusive Play Lab, Blue Valley Hilltop, and Parents as Teachers/Infant & Child Family Services.
