

SMARTER GIVING

Q2 2018

IMPACT

We're dedicating this quarter's report to the impressive impact of **B'nai Tzedek**, our teen philanthropy program. B'nai Tzedek is the first step in what we consider our "Continuum of Giving," the range of programs we offer givers of all ages and stages of life. B'nai Tzedek introduces Bar and Bat Mitzvah-age teens to the joys of philanthropy by allowing them their own personal giving accounts at the Foundation.
